ALEXANDER PHAM
FULL-STACK DEVELOPER

SUMMARY

Full stack developer with emphasis on front-end aiming to create user friendly web apps while expanding my knowledge on various technologies. Recently received a certificate in Full Stack Web Development from the University of Utah. Excited to implement newfound proficiencies in a fast-moving environment with a highly-motivated team.

WORK TIMELINE

ACCOUNT COORDINATOR

Aetna Health, UT   October 2017-Present

• Identifies specific service issues and solutions that aid in maintaining positive client relations and retention.
• Collaborates with account management team to achieve growth/renewal objectives.
• Performs monthly, quarterly, and annual reporting to assist in finding optimal contracts for groups to save clients money.

ACCOUNT MANAGER

Meds for Vets, UT   October 2017-Present

• Negotiated contracts and pricing for compounded medications for new and existing clients.
• Maintained constant contact with key clients to develop service offerings and answer needs.
• Traveled to client sites to provide face to face customer service and/or problem resolution.

EDUCATION TIMELINE

FULL-STACK WEB DEVELOPMENT

University of Utah   August 2019-February 2020

• Graduated University of Utah's 6 month web development bootcamp course.
• Completed multiple projects and began freelance work to apply what I was learning to the real world.
• Earned Responsive Web Design Certification from Free Code Camp (300 hours) as extracurricular learning.

GENERAL STUDIES

Salt Lake Community College   October 2017-Present

• Graduated SLCC with an Associate of Science degree.

• Tutored other students who were struggling in courses such as chemistry and calculus.

• Participated in multiple volunteer events held by the school.
